Service

Milwaukee Road
PIGGYBACK

COVERAGE: Originating or terminating at over 1,000 points in 14 Milwaukee Road states throughout the West, Midwest and Northwest—with connections at Chicago to and from the EAST and SOUTH . . . and at Omaha and Kansas City to and from the SOUTH-WEST and CALIFORNIA.

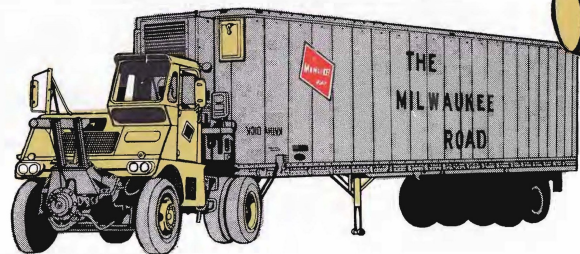

SPEED: Fastest service on rail or road between the Midwest and the Pacific Northwest—even faster than passenger train service in some instances.

EQUIPMENT: The Milwaukee Road's modern fleet of piggyback equipment is constantly expanding. Every type is available: refrigerated, open top, flat bed, or dry volume vans.

RAMP FACILITIES: The Milwaukee Road's expanded and improved ramp facilities are designed to accommodate every customer requirement.

COUNSEL: Specialists in piggyback service are available at strategic points in the nation to assist you in making fullest use of this high-speed economical service.

ALL PLAN SERVICES: The Milwaukee Road's expanded piggyback service provides the facilities of Plan I, Plan II, Plan III, Plan IV and Plan V, and modification of these plans.
