President

L. C. Gilman
Assistant to the President

St. Paul, Minn. March 21, 1911.

Mr. L. W. Hill:

The attached blue print shows the line of the Milwaukee up the Swan River and the north bank of the Flathead according to their maps that they have filed in the United States land office. This may be of interest to you. You will note that according to the route shown they will go through Kalispell.

L. C. Gilman.
